*"Dear Tom and Marcia..in my line of business giving information on non-toxic cancer alternatives such as polymva, I often find myself traveling to various conferences. **However, in my experiences there are none that I have so enjoyed as the 11th Int. LIFEexpo (now called the Int. Natural Foods and Health Expo) which I attended last year. The advertising was professionally carried out to that there were many quality attendees present. The speakers including the REAL Patch Adams were excellent and well chosen. Last but not least, the atmosphere was genuinely holistic and co-operative. I not only met old acquaintances, but made new friends as well. With appreciation I remain." -Olivia de Haulleville, CCHT, CATS,holistic editor and consultant,Yucca Valley, CA,2002.***

We certainly recognize the value of these important interconnections. And as Unity continues to seek new and beneficial ways to inspire and support people of all faiths, we are also realizing the value and benefits of a relationship with an organization like Healthy Referral." **Kim West, Director Marketing Unity, Unity Village, MO.***

Thanks again!" **Debora Murray, PME The Apothecary and Skin Care Complete*
