

# 16<sup>th</sup> International Natural Health & Foods

## Expo “Living Naturally”

Sept. 23rd 10am -8pm. & Sept. 24, 10-6pm.  
2023, Sarasota FL Municipal Auditorium

Featuring

### BRIAN CLEMENT PH.D., L.N.,

has spearheaded the international progressive health movement for over five decades. He is the Co-Director of the globally renowned **Hippocrates Wellness in West Palm Beach, Florida, the world's foremost complementary residential health center.**

Over the last half-century, he and his team have pioneered clinical research and training in disease prevention using hundreds of thousands of participants who

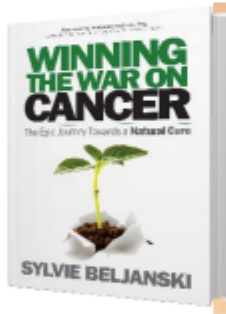

provided volumes of data, giving Brian a privileged insight into the lifestyle required to avert disease, enhance longevity, and maintain vitality. Their findings have provided the basis for **Hippocrates' progressive, state-of-the-art treatments and protocols for health maintenance and recovery – the Life Transformation Program.**

**Produced by Healthy Referral Newspaper & Mind Your Body and Spirit Radio est 1989, bringing you cutting edge resources for your well-being.**
